

VIPARIS acquires a new records management (RM) and mixed archiving system in a Cloud environment.

Operating 12 major event venues in Greater Paris, VIPARIS welcomes 10 million visitors and 800 events a year. Created in 2008, a subsidiary of the Paris Île-de-France Chamber of Commerce and Industry and the Unibail-Rodamco-Westfield group, VIPARIS is Europe's leading convention and trade show organizer.

Challenges

- **Mastering** their data
- **Meet** legal and regulatory requirements for electronic archiving
- **Securing** sensitive and strategic information
- **Finding documents easily** in the event of a control, audit or dispute
- **A global vision of** the company's assets and activities

Key figures(for archiving): Docusign, EDM
150 producer users /
Unlimited number of users for
consultation

Results

- **Acquisition of** a mixed archiving solution **probationary** cross-section (NFZ 42 013) integrated with **VIPARIS' IS**
- **Sanctuary** perimeter taken into account
- **Storage** of documents and data regarding legal and regulatory obligations
- **Preserving** VIPARIS' assets and know-how
- Shift to a **Cloud** environment
